It seems like the elites and their pawns are trying to unify all groups with the exception of Muslims. This means Christians, zionists, hindus, Democrats, Republicans etc. I could be wrong that there isn’t an effort to unify Democrats and Republicans. Important

The Stone of Scone in the Perth Museum in Perth Scotland is not the stone Jacob slept on in Genesis 28:18.

Manetho a Historian in the 4th B.C.E. wrote about Osarseph a rebel who was a Priest in Hyksos in Ancient Egypt that rebelled against King Amenhotep III who lived in the 15th century B.C.E., he relocated to Jerusalem and later returned to plunder Ancient Egypt. Manetho does not link Osarseph to Prophet Moses. Whoever Osarseph was whether he was a mythological figure or not, he was not Moses. The alleged King at the time of Prophet Moses was King Ramses II who lived in the 13th century B.C.E.

Couldn't Prophet Muhammad know religion better than a world leader like Vladimir Putin who is a Christian?
